EMPLOYMENT

Design 24 Creative Studio

Freelance Graphic Designer, Photographer & Illustrator Present

I am a freelance graphic designer, photographer and illustrator. I do a variety of design work including branding, print, graphics for web, email marketing and social media. My photography work mostly specializes in portraits and my illustration work consist of custom vector illustrations.

Blade Commerce

Head of Graphic design September 2020 - Present

Blade is a leading digital marketing agency based out of Connecticut. I am currently the head of graphic design. This has allowed me the opportunity to work with many companies creating branding, print, web, email marketing and social media materials.

Get Human

Part-time Graphic Designer Present

I create display images for blog posts monthly.

East Side Enterprise/Seasons Corner Market

Graphic designer & Social Media Specialist May 2017- December 2021

I worked at Seasons Corner Market for a little over 4 and half years. I was the only in house designer and had the opportunity to work on many projects and subject matters during that time. Monthly promotional advertising was a big part of the position but I also worked on in store signage, package design, social media designs, illustrations, videos, and I provided designs for the website and internal/external events.

Three Horsemen

Part-time Graphic Designer 2017-2019

I created social media graphics for clients. Worked with co-workers on photography and video projects. I also designed for internal or internal events.

Cramer

Design Intern December 19th 2016-May 15th 2017

I designed internal posters for many events. Assisted with client work and was involved with designing a art installation for the company's newly renovated building.
